

INDEX TO AMERICAN HORTICULTURIST-1982

Potentilla 'Gibson's Scarlet'

An annual index to articles appearing in *American Horticulturist* magazine is printed in each December issue. A separate, cumulative index has also been published for the years 1922-1971. Copies of this 110-page paperback are available for \$10. Although no index for the years 1972-79 has yet been published, these back issues have been catalogued by the editorial staff. Address inquiries to Barbara W. Ellis. Back issues of the magazine, if available, are \$2.50 each. Send orders for the *Cumulative Index* or back issues of *American Horticulturist* to Dorothy Sams, Box 0105, Mt. Vernon, VA 22121.
